EXPERIENCE

Website Rebrand / UI Designer – *Therapy Pet Pals of Texas, Inc.*

Jan 2017 – Ongoing | Austin, TX

Utilized HTML, CSS, and Javascript to re-build site from scratch. Worked closely with the organization's directors for progress updates and to discuss strategy over UI aspects in order to help reach goals.

UX / CI Developer Intern – *TopSpot Internet Marketing*

May 2017 – Aug 2017 | Houston, TX

Used CMS', FTP, HTML, CSS, Javascript, and PHP to look for inconsistencies and areas of improvement in pre-existing websites in order to increase conversion rates, as well as overall usability.

Communications Director – *Design Collective*

May 2017 – Aug 2017 | Houston, TX

Administered internal affairs and delegated events amongst monthly committee meetings using social media platforms. Taught design fundamentals and assisted with program planning.

Front End Developer – *JP Art Studio*

Nov 2016 – Jan 2017 | Houston, TX

Worked alongside the owner periodically to build a website and fine-tune visual aspects to his personal liking.

Photographer – *Freelance*

Jan 2012 – Ongoing | Houston, TX

Coordinated pre-production consultations and kept communication flow with clients to best suit their needs. Utilized social media marketing practices to increase exposure and built relationships with potential clients.

Director of Marketing & P.R. – *Pre-Veterinary Association*

Jan 2015 – Aug 2016 | Austin, TX

Concepted and designed advertisements, managed social media accounts, and helped organize fundraisers for no-kill animal shelters.
